## Founder of Frederic Telephone Service Succumbs In Detroit

Louis A. Gardner, founder of the Frederic Mutual Telephone Company and one time Postmaster there, succumbed early last Thursday morning in the Mount Carmel Hospital in Detroit, following several months' illness.

As a young man, he came to Frederic with his bride, Mollie O'Brien of Cheboygan, to take a position as relief Station Agent for the Michigan Central Railroad. He left that post to work in the Kelley Store, a well-known store of early Frederic days. Shortly after, Mr. Gardner became a licensed embalmer and also assumed the postmaster's duties of the village, which he held for several years.

As a 4th degree Knight of Columbus, he with several other Catholics, was instrumental in the erection of St. Leo's Mission Church. He also initiated a drive to form a telephone company to serve the village and that part of the county surrounding Frederic.

Mr. Gardner was born on October 15, 1877, in Watertown, New York, and came to Cheboygan with his parents about 1879. He is survived by his wife and nine children; six daughters, Sisters Mary Pauleta and Gloria of the Sisters of Mercy, Angela of the Dodge main plant clerical staff, Mrs. Paul Frankhart and Mrs. Al Zimmer of Appleton, Wisconsin, and Theresa Ann at home; three sons, Louis of East Jordan, Kyron who is assistant manager of the Detroit Leland Hotel, and Glyn of Appleton, Wisconsin. Seventeen grandchildren also survive.

The oldest daughter, Constance Benedicta, passed away unexpectedly in 1942. A son, Maurice, died in the Normandy invasion.

Mr. Gardner was laid to rest beside his daughter, Constance, in Holy Sepulchre Cemetery following a Requiem High Mass at Our Lady of Consolation Church, Saturday morning, April 26.

## LIBRARY NEWS

Just a year ago the Crawford County Library bought a membership in the Young People's Division of the Literary Guild. This membership has brought us in the past months a dozen adult books, by outstanding contemporary writers—books of romance, mystery, and high adventure, many appearing again and again on the national lists of best-sellers—books of such universal appeal as to be equally in demand by adolescent and adult readers. Many of the titles have appeared in the lists of other well known book clubs, but their selection by the Young People's Division guarantees them to be wholesome as well as popular—free from political and religious bias, profanity, obscenity, or any indecency of subject matter or treatment—adult books that are altogether suitable for adolescents.

The Young People's Division selections acquired in the past year are: "Alexander of Macedon" by Harold Lamb; "We Shook the Family Tree" by Hildegard Dolson; "The Unforeseen" by Dorothy Macardie; "The Assassins" by Hildegard I. Teihet; "Driftwood Valley" by Stanwell Fletcher; "Not So Wild a Dream" by Eric Severid; "Blaze of Noon" by Ernest Gann; "Moonrise" by Theodore Strauss; "Long Storm" by Ernest Hay Cox; "In the Hands of the Senecas" by Walter D. Edmonds; "The Quarry" by Herbert Krause; "The Thresher" by Mildred Walker. Many readers in both the adult and high school divisions will recognize some of their favorite titles in this list.

The April selection of the Young People's Division is David Garth's "Gray Canaan"—the strange tale of a fateful secret that might have won the Civil War.

Deficit spending has one thing in its favor. It would PROVE the absurdity of the bond statement by Mayor Welsh. "I don't think you have a financial problem," he said.

It would also remove the last remaining doubt in the mind of the voter that it is possible to divert 78 percent of the state sales tax back to local governments, and still have the vital state services paid for with money left in state funds.

The second choice of the state legislature is the path to financial sanity.

It would balance the budget. It would raise additional state revenues to pay for the \$270,000,000 Veterans' bonus and the remaining state needs now estimated at \$480,000,000 for the coming fiscal year.

What would now taxes be like? Governor Sigler suggests a two mill property tax out of the present 15 mill property tax, a soft drink tax, a higher beer tax, and other levies as needed.

He would have the legislature authorize municipalities to levy referendum taxes, subject to voters' referendum approval. Cities thus would work out their own financial salvation. State levies, now earmarked for local governments, would be returned to the state, including the 10 percent alcoholic spirits tax, intangible property tax, racing revenues, severance

the East Michigan Conference. Services every evening at 7:30, except Saturday. Sunday School at 10:00 a. m. Hear this man of God—everybody welcome.

## Local Boy Honored At University Convocation

Approximately 1,000 University of Michigan students received recognition for scholastic achievement at the 24th annual Honors Convocation, held Friday, April 25, in Hill Auditorium, Ann Arbor.

Speaker for the occasion was Marjorie Hope Nicolson, professor of English in the graduate school at Columbia University. Her subject was "Merchants of Light".

Freshman, Sophomore, Junior and Senior honors were awarded to those students who attained an average equivalent to at least half A and half B. Graduate students are selected for outstanding achievement in special fields. Fellowship and scholarship holders and the recipients of special awards are likewise honored for outstanding achievement in particular fields.

Among the students honored was Howard Charles DeLaMater of Grayling, who received Freshman Honors from the Literary College.

## GRAYLING GROUND LOOPS

News and Notes from the Grayling Airport as reported by the Grayling Air Service.

Twelve Grayling boys are signed up for flying instructions under the GI Bill of Rights at the Grayling Air Service. The ten are: Harold Hatfield Jr., John Selesky, William MacLeod, Clayton McDonnell, Marx Stephan, Don Goad, Robert Hanson, Gerald Berger, George Hanson, Don Gothro, Leo Lovely and Richard Rasmussen.

Ward Blunt of Saginaw was a week-end visitor for trout fishing, arriving at the Grayling Airport in his new four-place Navion. The Navion is the new ship being manufactured by the North American Aviation Company. It is a low-wing monoplane with retractable tricycle landing gear. It will cruise at 150 miles per hour.

Another group of trout fishermen bound for Wolverine from Cincinnati, Ohio, stopped for gas at the Grayling Air Service on Friday.

The Grayling Air Service is now offering a flight of over 15 miles, above Lake Margrethe, Camp Grayling, the Winter Recreation Area and the city, at a nominal cost.

## Grayling Ball Club Begins Workouts

After an initial workout last Sunday, a practice for last year's club members and all other interested men has been called by the Grayling Independent baseball team for six o'clock Friday evening at the diamond.

If the weather does not permit a practice session that evening, a meeting of the club will be held at the Legion Hall at 8 o'clock.

The first round of the season is scheduled for Sunday, May 25, with Lewiston meeting Grayling here and Rose City at Mio, Fairview at Atlanta and Comins at Roscommon.

The remainder of the 14-game schedule Grayling at Comins on June 1; Rose City here, June 8; Fairview here, June 15; Roscommon here, June 22; Mio here, June 29; Atlanta here, July 6; Lewiston here, July 20; Comins here, July 27; Rose City, then here, August 3; Fairview here, August 10; Roscommon there, August 17; Mio here, August 24; and Atlanta there, August 31. July 4 has been set as an open date for the league and an All-Star game is set for July 13. A play-off tournament will follow the regular season in early September, it is said.

## South Branch

Alban Dyer is building a cabin near the Stackert bridge.

George Vorhes and William Dusenbury were in Kingston, Monday.

Several from here attended the Odd Fellows party at the Gerish Town Hall, Thursday evening.

L. J. Dusenbury of Michigan State College, East Lansing, was home over the week-end.

Mrs. Joe Babcock, who has been spending several weeks visiting her parents and friends in California, returned home Thursday.

Mr. and Mrs. Otto Sube have returned to their home here after spending the winter with their children in Chicago.

Dr. and Mrs. Hughes and Dr. and Mrs. Smith, of Bay City, were at the Hughes cabin on the South Branch over the week-end.

Mrs. John Brunt and father, Mr. Emory Hollowell, were in Williamston, Friday and Saturday, visiting their cousin and niece, Mrs. Oliver Brown, who is ill.

Mr. and Mrs. Ned Brown of Pontiac spent Sunday at the home of Frank Boersma.

Mrs. E. P. Boothe entertained 14 boys and girls Saturday, April 26, in celebration of her son Bill's birthday. There was a lamb cake bearing five yellow candles and also a gold cake. Arnold Stanclil, Billy Keway, Deanne Herrick and Marshall Atkinson won prizes in the contests played.

## Some Production Under Way

## Bear Archery Company Now Occupying Grayling Plant

The Bear Archery Company, formerly of Detroit, is now installed in their new, modern factory building on West Lake Street, within the limits of the City of Grayling, and production has been started in some departments.

The company is a Michigan corporation that began the construction of archery equipment in 1927. They have been located in Detroit—but over eight years ago plans were made for moving of the plant to Grayling. The war made the move impossible. But last year a permit was granted to the company by the Civilian Production Administration for construction of the new plant. Company officers stated that letters obtained from local men and groups were deciding factors in the issuing of the permit.

The new building is 170 feet long by 50 feet wide, encompassing a total of 8,500 square feet of floor space. It is of cement block and brick construction and has an all-steel flat roof that is insulated with fiberglass. It is heated by an oil-fired hot air Jackson and Church furnace, with a humidifying control. All the windows in

the plant are double glazed. The factory building was constructed by Melvin Marshall and wired by Calvin Church, while Hurl Deckrow handled the plumbing work. All three are Grayling residents. The building is estimated by company officials to have cost \$40,000. The first work on it was started in May, 1946.

Fred Bear, formerly of Detroit and now of Grayling, is president of the new local company. K. K. Knickerbocker of Chicago is the company's vice-president, while Charles D. Piper of Grayling, formerly of Detroit, is secretary-treasurer of the firm. Nelson Grumley, formerly of Detroit, is head of the bow department.

The concern makes only high-quality archery equipment and has a nationwide reputation for the superiority of its merchandise. Its production is exclusively for field shooting and hunting.

Bow and arrow hunting is growing in popularity by leaps and bounds, as witnessed by the bow and arrow hunting bill recently passed by the Michigan House. The bill is now in the hands of the Senate, and would

open Montcalm, Ionia, Alpena, Benzie, Iosco, Leelanau, Newaygo, Gogebic, Roscommon, Montmorency, Oscoda and Crawford counties from October 1 until November 5 for the hunting of either buck or doe with bow and arrow. The vote in the House was 82 to 1 in favor of the bill.

Mr. Bear and the company have been active in promoting the sport and he and Mr. Grumley are well known for their hunting exploits with these weapons. Mr. Bear has both a moose and a bear to his credit in hunting with bow and arrow.

The company normally employs about 20 or 30 men and women when in full production. Work has been started in several departments, but may increase slowly in others due to a new tooling program.

The company expressed their thanks to the citizens of Grayling for their co-operation in many ways in getting the building ready for occupancy, and for the many expressions of welcome. Future plans of the company call for a field archery practice course near the plant very soon.

## Kiwanis Club Notes

Setting of final plans to attend the Kiwanis District meeting at the Traverse City Country Club on May 9, took a part of the time of the regular meeting of the Kiwanis Club of Grayling last Monday evening at Shoppenagons Inn, where 33 members and guests were in attendance.

The club welcomed back charter member Ernest Hoelsi, who will again take up active membership in the group.

Plans for a canoe trip party and a dinner to follow were discussed and tentative arrangements were made, with a definite date and committee appointments to be made in the very near future.

The usual program time was taken up with committee meetings with the selection of the club's candidate for Boys' State, the setting of a date for a Kiwanis Church Sunday, the re-erection of the Kiwanis signs at the highway entrance to the city, and several community improvements as the matters under discussion.

## Maple Forest

Mr. and Mrs. Jesse Smith have returned to their cabin on the East Branch, after spending the winter in Detroit.

Arthur Howse has a new Dodge sedan.

Bob Owen spent the week-end in Lansing and Leslie.

Mr. and Mrs. Bernard Feldhauser of Pontiac spent the week-end with the Robert Feldhausers.

Mr. and Mrs. Robert Papenfus and children, of Roscommon, visited the Roy Papenfus family, Sunday.

The McMillans arrived Saturday from Fowlerville to open their home here for the summer.

Mr. and Mrs. D. D. Harris of Lansing, also Clayton Smith and Mrs. E. E. Smith, visited H. E. Smith over the week-end.

Mrs. Arthur Feldhauser and Mrs. Wm. VonSee, of Lovells, called on Mr. and Mrs. Oscar Parsons, Sunday.

Geneva and Dorothy White entered Mercy Hospital, Monday, to have their tonsils removed.

Ada Slovacek, who has been employed in Ithaca, returned to her home in Waters, Sunday. En route, she stopped at Mt. Pleasant to see Gloria J. Feldhauser, who accompanied her here to spend the week-end with her parents, the Ed Feldhausers.

A nice crowd turned out Friday evening at the town hall to help Mr. and Mrs. J. W. Smith celebrate their Golden Wedding Anniversary. The honored couple were presented with a platform rocker by the friends and neighbors of the community. Two long tables were centered by beautiful cakes, one a gold cake, in keeping with the gold color scheme carried out in the decorations, and the other a large three-tiered wedding cake. Much credit is due Mrs. Clyde Smith and some of her neighbors, for this very successful party.

Carl Richter and Charles Owens attended a farmers' meeting at the International Harvester Co. in Gaylord last Wednesday evening.

Mr. and Mrs. John Galloway and Mrs. Frank Galloway, of Roscommon, visited their mother, Mrs. Alfred Galloway, who has been quite ill.

## Local Man With First Service Command

Pvt. Emery J. Craft, Jr., son of Mr. and Mrs. Emery Craft, Sr., of 305—Mikado Street, Grayling, Michigan, has recently reported to Headquarters, First Service Command, Boston, Massachusetts, for duty.

Pvt. Craft enlisted in the Army on January 21, 1947, at Grayling, Michigan, prior to reporting for duty in Boston, he received his basic training at Fort Bragg, North Carolina.

Before entering service, Pvt. Craft was employed at Baringer's Men's Shop. At First Service Command, Pvt. Craft has been assigned duties in the Engineer's office.

## Lions Club News

The regular meeting of the Lions Club was held Thursday, April 24, with "average" attendance. Maybe this was due to the Donkey basketball game held Tuesday, when some of the Lion members battled it out with the American Legion team.

Guest speaker for this week's meeting was Mrs. Ethel (Taylor) Pierce, who gave a talk on a most interesting subject, Panama. She has spent a considerable time among our Latin-America neighbors.

A committee has been appointed to make plans for a proposed father and son banquet to be held in the near future.

An out-of-town guest of the club was N. Chester Clark of Detroit. The Donkey basketball game was played for the benefit of the Grayling Athletic Association; it netted \$68.66. W. Nawatny, J. McClung, L. Marshall, A. Sorenson, H. Russell, H. Long, L. Hunter, R. Sorenson, R. LaMotte, J. Cinciala, W. LaGrow and Wes LaGrow made up the Lion team, and G. Burns, J. Crawford, P. Keway, R. Grimstad, H. Miller and E. Owen, the Legion team.

ECHOES OF TROUT SEASON OPENING DAY

One fisherman did not have to go far to get a big one on opening day. He caught a 4 1/2-pound brown trout just below the city dam, and on "garden hackle".

A youngster landed a 28-inch brown trout at the same location, Monday morning.

Don Weaver and Ernie Turner, the latter a leading citizen of Battle Creek, opened the trout season with a grand splash. They put off from near the city sewage disposal plant on the AuSable—padded—Don's brand-new magnesium canoe about 100 yards—and then Ernie's shirt engaged a low-lying tree limb as they attempted to get out of its way. Ernie grabbed for the limb, and before you could say "Jack Robinson", the shiny canoe overturned and catapulted both into the extra cold water. It was about three feet deep at that point. As both fishermen floundered in the water, the canoe bumped into Ernie and he did another header under the frigid water. They rescued the canoe, beached it, went to Don's home and changed their duds, came back and set forth again on their fishing trip downriver to Stephan's Bridge. Net catch for the trip—nixey—but the dunking.

High water, cold weather and the wind on opening day kept the catch from being anything but the limit.

## Bucks Are Again Wave Victims

The Grayling Green Wave baseball nine is to invade Fairview tomorrow, after soundly drubbing the Roscommon Bucks in their second game of the season, by a score of 14 to 0.

Dick Miller allowed the Gerish-Higgins nine but two hits, while he struck out eight. He issued only four bases on balls. Anthony, a Grayling sophomore, in his first start collected 3 hits out of four times at the plate. Coach Willard Cornell used him at both shortstop and centerfield, where he turned in a creditable performance.

Gardner, who hurled most of the game for Roscommon, struck out eight, while issuing five bases on balls. Foy and VonSee, who also pitched for the Bucks, struck out none, while Foy issued three bases on balls.

The Green Wave bats rattled 9 hits off the offerings of the three Roscommon pitchers. Besides Anthony's three hits, Carlson hit twice, and Miller, Bielski, Babbitt, and Feldhauser each connected once.

The game was an 0-0 tie until the Grayling half of the third inning, when the locals pushed 8 runs over the plate. The Wave added one more in the sixth, and 5 in the seventh. There were no extra-base hits in the entire game.

The Wave counters were scored by Carlson and Miller, with three each; Richards, Feldhauser and Anthony, 2 each, and Grimstad, Jim Keway and Bielski scored one run each.

## AUXILIARY NEWS

The Legion Auxiliary of Post 106 held its regular social meeting on Tuesday evening, April 22, at the Legion Hall. Card games were enjoyed; Linette Shaw won the high score prize, and Mrs. Zahm, a guest of the club, won the booby prize. Mrs. Zahm is 10th District president of the American Legion Auxiliary, and lives at St. Helen, Michigan.

Hostesses Mrs. Georgiana Stanclil, Mrs. Amy Gothro and Mrs. Emma Knibbs served a delicious lunch to the members.

CARD OF THANKS  
We deeply appreciate the many kindnesses and beautiful expressions of sympathy at the passing of our husband and father.  
Mrs. Adam F. Gierke and family.

P. T. A. NEWS  
The regular Parent-Teacher Association meeting was held at the high school Wednesday evening of last week with a fair attendance, considering the weather.

The usual business was taken care of and Mrs. Herbert Stephan, Mrs. Richard Thompson and Joseph Stripe were appointed to the auditing committee.

A financial report given by the Band Committee is as follows: \$131.25 was netted from Booster Tag sales, \$299.00 from individual and club donations, and \$250.38 actually earned from shows, games and lunches. This makes the total amount raised so far, \$680.63. The total amount paid out to date is \$958.04. This leaves a deficit of \$277.41 yet to be earned.

Program chairman—Richard Lovely presented Mrs. Esbern Olson, who gave a very interesting talk about the Social Security Program and how it works in Grayling. She explained the difference between old age insurance and old age assistance and also explained the Aid To Dependent Children program. Mrs. Bert Norris, County Agent, who had planned to tell something of her work, said a few words, but had to postpone her talk till another time because of a bad throat.

Lovells Notes

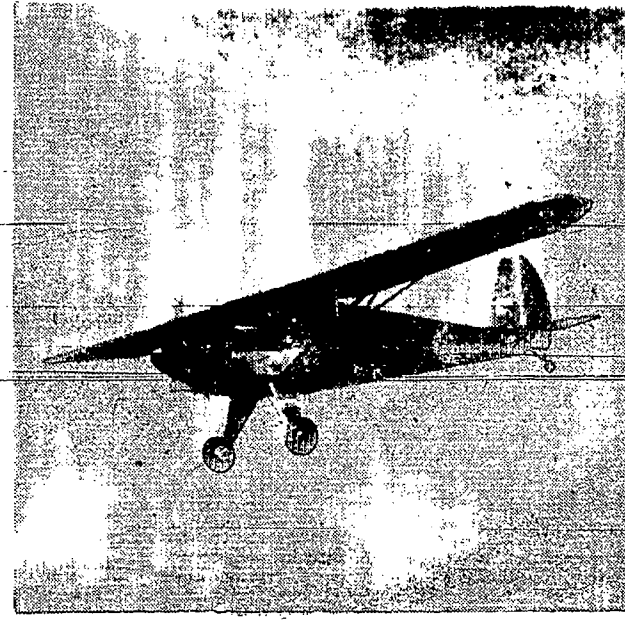

Mr. and Mrs. John Haefka of Midland spent the week-end in Lovells with relatives, and while here, Mr. Haefka enjoyed a try-out at trout fishing.

Nearly every cabin and cottage was filled over the week-end for the opening of the trout season, but due to the cold weather, very poor luck was about the "limit".

Rosa Bishaw of Grayling spent the week-end with Margie Caid. John Kellogg of Northville is spending some time at the home of his parents, the J. E. Kelloggs, and is making plans to begin his summer work at the building jobs.

Mr. and Mrs. Lewis Stillwagon and family, of Grayling, Mr. and Mrs. J. T. Stillwagon and daughter Jeanine, of Plymouth, and the Edgar Caid family and their guest, Rosa Bishaw, enjoyed a chicken dinner Sunday with the C. Stillwagons in honor of their son, J. T. Stillwagon's birthday.

Charles Morley returned last week from his winter's stay in Florida. Charles Avery, son of Mr. and Mrs. Wm. Avery, having received his discharge from his service with Uncle Sam, is now home with his parents at the Hirschfield Lodge. Charles was located most of the time in Korea.

Thirty-seven Crawford County babies under three years old passed a series of tests given at the baby show held at the Crawford County Health Center last week, Saturday. Jack Sparkes, about 25 months old, son of Mr. and Mrs. Lorane Sparkes, carried off first prize. Anna Mae Dack, six weeks old, height and weight perfect for her age, was given the prize for being the tiniest baby. Mildred Willett and Donald Corwin were both very close to getting 1st prize. The judges were Drs. C. R. Keyport and H. H. Pool, and Mrs. Grace Schumann. They were assisted by Mrs. Eva Joseph and Mrs. Daisy Kraus, both graduate nurses, Mrs. Jane Welsh and Mrs. F. Anstett and a corps of nurses from Mercy Hospital.

R. E. Goslow, D.C., chiropractor

of Mt. Pleasant, will open offices over the Avalanche office on Monday, May 7.

Andrew Hart, George A. Thomson, Frank Monroe, Charles L. Armstrong and Gilbert E. Cram were taken into the Masonic Lodge Thursday night. Worshipful Master John Bruun was assisted in the initiatory work by Past Masters Ross Martin of Wolverine, Will Curnalia of Roscommon, Eno Milnes, formerly of Lewiston, and Thomas Hodgetts of Gaylord.

Miss Marge McLeod has resigned her position at the A&P store and accepted a similar position at Schlotz grocery. Miss Beulah Colleen will fill Miss McLeod's place at the A&P store.

Mrs. B. J. Callahan of Frederic entertained eleven little friends of Jack Callahan on Monday, April 28—his eleventh birthday.

Bert Tebo and family have moved to Cheboygan to take up residence and have rented their home to Dr. H. H. Pool.

A number of our crack shots attended a trap shooting match at Gaylord last Sunday afternoon. A number of fine records were made. Frank Shipp of the Gaylord club made a perfect record in one part of the series, breaking 25 birds straight. B. E. Smith had next high score with 22 out of 25 deer birds, just missing out sure.

well known shots as Marius Hanson, Holger Hanson, Joe Kraus, Oscar Hanson and Paul Hendrie.

Mrs. Herbert Smith Jr. invited several young ladies to her home last evening to bid farewell to Miss Lola Mae Klingensmith before her departure for Chicago this week.

The O. E. S. held a public installation of officers Friday evening with about 75 present. The following officers were installed: Worthy Matron—Laura Olson, Worthy Patron—Melvin Bates, Secretary—Mabel Brasie, Treasurer—Mabel Martin, Conductress—Augusta Walt, Associate Conductress—Kathryn Clark.

tax, and liquor license refund.

Politics suggests deficit financing until financial needs of the state are definitely known, even to politicians such as Mayor Welsh.

Sanity would accept the situation as it exists, levy new taxes and balance the budget.

Handicapping the latter is the popular illusion of an ever-mounting surplus at Lansing and the economic fallacy that tax money

received at Lansing is not "our money"; it is a contribution and a gift; hence get all you can while the getting is good; if you don't get your share, the State will spend it for something else.

This illusion of the "other fellow's money" has been breaking down responsibility in government. The prospective \$65,000,000 deficit at Lansing is a prime example.

Growth of interest and membership in home economics extension work in Michigan in the past four years is graphically shown to Gov. Kim Sigler by two officers of the Michigan Home Extension Council. Here Mrs. A. H. Torrey, Flint, chairman, explains the growth in mem-

bership from 15,087 in 1943 to 25,964 in 1946. Mrs. Cecelia Lamb, Hillsdale, secretary of the council, looks on. The week of May 4 to 11 has been designated as National Home Demonstration Week to commemorate the work done by extension groups and encourage membership of more rural and urban women.

resses are inco... on the CBS "Inner Sanctum," we often hear Broadway and Hollywood players without knowing it. Recently David... of the stage and screen, did bit part.

ODDS AND ENDS—Lee Sheldon, who rounds up animal actors for "Warner's," thought it the limit when he was told to find "a pair of boney-nosed lizards" for "Pursued." Claudia Morgan of "The Right to Happiness" takes a banister ride with her husband every 19th of October; the date he proposed to her, in a banister... Before the war Ralph Byrd played the movies' famous detective, Dick Tracy; he was discharged just in time to portray a criminal in "The Criminal." When Tony Martin gets his new air show running smoothly he'll start work on a musical movie of "Pope le Moko."

"HARVEST OF STARS" is undoubtedly the best program of its type on the air. Other programs may come and go, but here's hoping it goes on forever. James Melton, its star, threw away two careers to become a first-rate singer; he was tops as a popular singer more than a decade ago, then went into pictures. But he wanted to sing in opera and to have just the sort of assignment he has now. He it both times.

JAMES MELTON

one career to take a chance on another—his wife, Marjorie, encouraged him to go right ahead. When he landed in New York he had just \$100—and a lot of ambition, plus the voice that's landed him where he is now.

Bob Hope ("My Favorite Brunette" is his new picture) thought he was used to everything in the way of audiences; apparently everybody who visits Hollywood wants to see his radio show. But even Bob was startled when four detectives from the New York District Attorney's office appeared. They'd come out to pick up a prisoner; couldn't leave him, so they brought him along!

Loretta Young had to acquire a Swedish accent for her co-starring role in the RKO "The Farmer's Daughter." So she took lessons from Ruth Roberts, the diction expert who has been "de-accenting" Ingrid Bergman these last few years. Loretta plays a Swedish farm girl who's thrown into the political arena and eventually into congress. She shares stellar honors with Joseph Cotten and Ethel Barrymore.

Composer-musician Sigmund Romberg will replace Red Skelton on the air on NBC June 10, with "Evenings with Romberg." Late next summer he'll be in Hollywood again, writing additional music for "Up in Central Park" and "Sunny River."

Twentieth Century-Fox's "Captain From Castle" company, on location in Mexico, found itself in competition with Paricutin, the baby volcano which sprang up about four years ago. The troupe had to have a dry-cleaning unit on hand, working like mad to remove the volcanic ash which settled on the fancy—and authentic—costumes of Aztecs and Conquistadors alike.

You'll see Maureen O'Hara again in "The Big Clock," with Ray Milland and Charles Laughton; her husband, John Farrow, directs. She's been in retirement from the screen for some years—long enough to have four children.

## CONK'S COL

Well, the Trout Season of 1947 is finally under way, and the devotee to that branch of angling—and his number is legion—has inaugurated the season with all the customary enthusiasm. Just how many got all wet (in addition to wetting their lines) we do not know, as most anglers prefer not to mention such an experience. (It really is such a simple matter to stumble over a submerged log or root, or otherwise lose your footing in the swift Crawford County streams.)

After a rather gloomy outlook the first of the week, Old Sol descended to come out and add some near-spring warmth to the atmosphere, and optimism once more rose high in the hearts of Waltonians awaiting the arrival of April 26.

After mature deliberation, we decided not to use either of the gorgeous fly creations Fred Fisherman Bishaw made for us; instead we have placed them on display at Ron's Hardware store and Dad Hanson's Sporting Goods emporium, for the edification of our sportsman friends. (Now, just what was it the late Tex Guinan used to say?)

Some of the Old-timers stated they do not go trout fishing until the temperature of the water is up a bit. And they have "statistics" to prove that they catch the most trout then. We always leave our thermometer hanging on the wall at home. We know how cold the water is by feeling it, either intentionally or accidentally.

Our Pooch, Snookie, has a pet at last. Those big-hearted folks, Mr. and Mrs. MacNamara, recently presented him with a plaster statue of a Peke, and it looks so much like the little feller. We just wonder what, in his doggie mind, he has named it.

Fly rods, reels, lines, waders, creels, landing nets, flies, leaders—and all lines of fishing accessories, are selling like the proverbial hot cakes. And Ron Hanson, also Dad Hanson, got writers' cramp filling out fishing licenses. Slips Edwards, veteran guide and fisherman, had another candle in his birthday cake, Saturday. But he thought a lot more of fishing right then than of the fact that the day marked the wind-up of another year in his life.

Ernie Borchers reports heavy patronage of his canoe livery—and some of the patrons are really heavy.

Local businessmen think a lot of the trade of the anglers, as you could note by their advertising in last week's edition of the Avalanche. The opening of the Trout Season never seems official without the couple or so "fishing pages" in the Avalanche. (And isn't business a good deal like fishing? Advertising is the bait that produces business, just as bait or lure is the thing that gets the fish. A constant use of advertising produces a constant trade; and consistent casting is also necessary to get the fish. Sabe?)

As we predicted, most of the fishermen out on Saturday (and since) had a can of "garden hackles" (polite name for fish-worms) along with them. And furthermore, they got the trout!!

LAKE MARGRETHE

From where I sit... by Joe Marsh

We Got to the Fish Fry  
After All

That community fish fry was a great success. There were plenty of appetizing extras, and Will Dudley did a right wonderful job of frying the fish—soft and flaky inside—brown and crisp around the edges.

But we didn't get to go. The missus was tired after working in the yard, and we just didn't want to leave her.

Then how did we know the fish was so good? Because the folks didn't forget us. They sent Skippy Henderson over with two steam-

ing covered plates of fish, and a pitcher of cool, sparkling beer. And we finished them off in front of our own fire.

From where I sit, that's one of the things that makes our town so nice a place to live in: a spirit of share and share alike. That plate of fish and glass of beer weren't just great eating, they were symbols of the thoughtfulness that makes for better living!

# Motorists Reclaim LEONARD X-TANE

The great, new, postwar gasoline

• NO KNOCK • HIGHER OCTANE COMPONENTS •  
• GREATER ROAD POWER • QUICKER STARTING •

Improved car performance from Leonard X-TANE is making a great hit with Michigan motorists. Leonard stations throughout the state report enthusiastic response from drivers. We know this would happen. If you haven't tried it, drive in for a tankful today... see what this new gasoline means in less tinkering, quicker starting, greater road power and improved performance.

On Sale  
EXCLUSIVELY  
at all  
LEONARD  
STATIONS

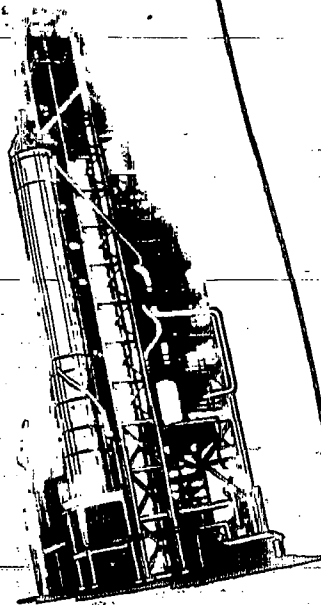

Your Leonard station is ready to serve you with the new Leonard X-TANE gasoline. You can obtain X-TANE regular or X-TANE Ethyl. Whichever grade you are accustomed to using will provide performance you have never experienced before.

Owners of tractors with high compression heads are especially urged to try the new Leonard X-TANE gasoline . . . it means greater power and greater economy.

## MIRACLE OF SCIENCE

High performance Leonard X-TANE gasoline is achieved only through the Houdry Process, a new catalytic refining method that produces higher octane fuel than was ever before available. Millions of dollars worth spent perfecting this method to obtain high test aviation gasoline. This method of producing gasoline is as big a step forward as today's motor cars when compared with cars of twenty years ago. It is truly a miracle of science! Now LEONARD with its gigantic, new, eight-story high Houdry plant brings this high octane gasoline to Michigan motorists.

MORE THAN EVER  
MOTORS FOR Leonard

The new, exclusive development of X-TANE gasoline is only part of Leonard's contribution to better petroleum products. Leonard's SAFE-T-FLAME motor oil is the finest available. Ask your Leonard station man about other Leonard products.

(Continued from Front Page)  
For the South, thus changing the whole course of American history, had it not been stolen just when it was about to be used. It is the poignant love story of Captain Space Emery and a lovely lass called Holly. It is the story of his desperate mission, his daring adventures. A delightfully tender romance, a tale charged with soaring action and dramatic suspense, "Gray Canaan" is a story to grip and inspire every young American.

## MICHELSON MEMORIAL CHURCH SCHOOL

Last Sunday the Primary department carried away the honors for attendance, with a total of 51, compared with 45 in the downstairs group. It being the last Sunday in April, attendance pins for the month were awarded to 21 of the little people, as follows: Pre-School class—Joey Robertson, Anna Marie and Arnold Stancil, Kay Ann Stephan, Susan Kay Wiggins; Kindergarten—Philip Faustman, Maryda Stillwagon, Larry Trowbridge; 1st Grade—Betty Horning, Judy Larson, Connie Millikin, Roger Nelson, Larry Andrews; 2nd Grade—Marilyn Burch, Betty Decker, Billy Scheiber, Martha Stillwagon; 3rd Grade—Hans Andrews, Ilene Horning, Jonas Newell, Mary Jane Blakely. April birthdays were celebrated for Billy Heath and Judy Larson.

In the Junior department, the Fourth corralled the Honor Banner, being the only class to boast 100% for the day. A visitor in the Fifth was Johnnie Williams of Toledo, Ohio, who is half-way through his third year of unbroken church-school attendance. The Williams family came north for a week-end of fishing, but mindful of his very fine record, Johnnie insisted on hunting up a church-school, and was a very welcome visitor at M. M.

Ruth Decker made the final report on the Achievement Day Fish Pond, which netted \$8.00 toward the steadily growing Camp Fund. Joan Randolph of the High School Class received her Second Quarter attendance pin.

## How You Wash The Bendix Way At S. And N. LAUNDER-IT

EXAMPLE 1.—Mrs. A. works six days a week. On her way to work she stops at LAUNDER-IT, puts a load of white clothes in a Bendix Automatic Washer, her colored cloths in another, goes on to work. At noon she picks up her laundry, washed, triple rinsed and damp dried.

EXAMPLE 2.—Mrs. B., going out for the evening, leaves her clothes at LAUNDER-IT. While she is enjoying her evening, her clothes are being washed, triple rinsed and damp dried, to be picked up that evening or the next day.

EXAMPLE 3.—Mrs. C., who wants to watch the Bendix in operation, puts her clothes in the washer, adds soap, flips the switch—sits down and relaxes while the Bendix Washer automatically washes, triple rinses and damp dries; her hands never touch the water.
